Welcome to Metro City

There is a reason that Metro City is known as the "Crime Capital of the World." Over the years, corruption seeped its way into the very heart of the government and brought the city to its knees. Soon the Mad Gear gang had the entire city firmly within their grasp. But the corruption has gone on far too long and the citizens are tired of fearing for their lives each time they step foot on the street. They are ready for a change.

The new mayor, a former wrestler by the name of Mike Haggar, has promised to clean up the city. But the task is much bigger than Haggar could possibly know. The Mad Gear gang is firmly entrenched in all parts of the city and they refuse to give up their little empires. But the Mad Gear do make mistakes and unknown to them, they just made the biggest one of their lives.

When the Mad Gear gang found that Haggar couldn't be bought, they decided to take the one thing Haggar values more than his own life- his daughter Jessica. The Mad Gear were sure that Haggar would do anything to get Jessica back and they were right. But they didn't think he would go on a rampage to take her back and or call in help from Guy, Metro City's greatest hero!
